

# PROFESSIONAL PORTFOLIO DATA VAULT

Simplify portions of your organization's most labor-intensive reporting! Now you can have a structure and process that makes reporting your demographic data and professional activities more effective, efficient, and streamlined.

## TRACK, TREND, AND REPORT DATA

### Demographic Information

This repository enables you to compile and extract data to **complete a variety of required reports** including the Demographic Data Collection Tool (DDTC)<sup>®</sup> for Magnet<sup>®</sup>, the Organizational Demographic Form (ODF)<sup>®</sup> for Pathways to Excellence<sup>®</sup>, and other demographic reports.

### Mandatory Education Tracking

**Track, trend, and analyze** completion of internal or hospital-specific mandatory education—regardless of discipline—including ACLS, BLS, HIPPA education, and more.

### Professional Advancement Tracking

This is a customized platform built to **support your organization's professional advancement** program and career/clinical ladders.

### Stories of Excellence

This repository houses stories of extraordinary care, excellent teamwork, and exemplary practice that support a variety of organizational self-studies. These exemplars will **support demonstrations of excellence** for Magnet<sup>®</sup>, Pathways to Excellence<sup>®</sup>, and Transition to Practice<sup>™</sup> as well as other awards and accreditations.
