Dear Attendees of the *Re-Igniting the Spirit of Caring* New Facilitator Practicum,

You have experienced the *Re-Igniting the Spirit of Caring* (RSC) program first hand as a participant and have been recognized as having the skills needed to facilitate this process for others. You are joining a special and growing number of people trained as RSC facilitators who are spreading the magic of this experience across the country. It is our pleasure to welcome you and confirm your registration for the *Re-Igniting the Spirit of Caring* New Facilitator Practicum!

Over the 4 days at this Practicum you will meet interprofessional colleagues from around the country and we will cover the history of RSC, the foundational principles of the curriculum, have practice sessions, learn logistical details, delineate between teaching and facilitating, and dialogue about how to work best with groups and the what ifs.
