

Share Your Knowledge Generously in *Creative Nursing*

Creative Nursing is a themed, peer-reviewed journal that publishes original articles and essays, quantitative and qualitative research findings, reports of projects, personal accounts, and media reviews. For example, our five most-downloaded articles for 2018 were:

- Social Justice and Human Caring: A Model of Caring Science as a Hopeful Paradigm for Moral Justice for Humanity, by Jean Watson
- Diversity, Inclusion, and Storying: Connecting Across Cultures to Give Meaning to Patients' Whole Health, by Tammy Sinkfield-Morey
- Primary Nursing: A Call for Clarity, Empowerment, and Accountability, by Shirley Ruch
- Social Determinants of Health: Cultural Competence Is Not Enough, by Dorothy Lewis Powell
- Reframing Knowledge Work: Shared Governance in the Post-digital Age, by Tim Porter-O'Grady
