

## Reflections on our Virtual Journey to Excellence Conference

by Marky Medeiros, MSN, RN

### We are thrilled!!

On September 24 and 25, 2020, Creative Health Care Management hosted our first Journey to Excellence Virtual Conference. We wish to thank our entire support team, Chris Bjork, Corrine Fedje, Cathy Perrizo, and Aaron Garner. We could not have done it without you!

In addition, we wish to extend a huge thank you to our presenters, some who presented for the first time, some who presented their nursing research, some who celebrated national recognitions, some who shared best practices and innovations, and one who presented from Perth Australia, 12 hours ahead of most of us. Thank you to EVERYONE who participated. It was energizing and inspiring to see people engaged the entire two days. It was a true illustration of collegiality and demonstration of the expansive knowledge we must share with one another.

The wide range of topics is shown below in a word cloud. If you were unable to attend and are interested in a recording of the conference, it is available [here](#) for a minimal cost of \$199 for all sessions. To view the conference agenda click [here](#).
