

CALL FOR ABSTRACTS

2023 Shared Governance Virtual Summit January 26, 2022

We are currently developing the program for the 2023 Shared Governance Virtual Summit and are actively looking for knowledgeable and enthusiastic speakers in all aspects of shared governance: best practices, lessons learned from implementation/revising councils, improved outcomes, innovations through shared governance, and nursing research/evidence based practices utilized through shared governance. All sessions will be 50 minutes of presentation and 10 minutes for questions and answers.

If you wish to be considered a presenter please complete the attached Abstract Form and submit with the requested supporting documentation no later than October 28, 2022. Decisions will be made, and speakers notified, by November 4, 2022. Multiple submissions are encouraged. Individuals selected for presentations must register and pay for the full conference.

If you are unable or uninterested in submitting, but know someone who is, please pass this along!

Please email mmedeiros@chcm.com if you have any questions.
